

XT-030 CENTRAL OFFICE BRANDING/APP DESIGN: UPDATED 4/26/15

Icons/Text

Rounded edges and tab shapes will identify CO branding on all visual elements, including icons (rt), along with proprietary communication waves. Product titling will follow logo typography.

Paragraph Headline (Franklin 10.9 pt)

Body text: Din Pro Light, flush left, rag right. 7 pt on 11 pt line spacing. Entering filler text to illustrate paragraph look. Entering filler text to illustrate paragraph look. Entering filler text to illustrate paragraph look. Entering filler text to

(Din Pro 7/11 pt)

Branding

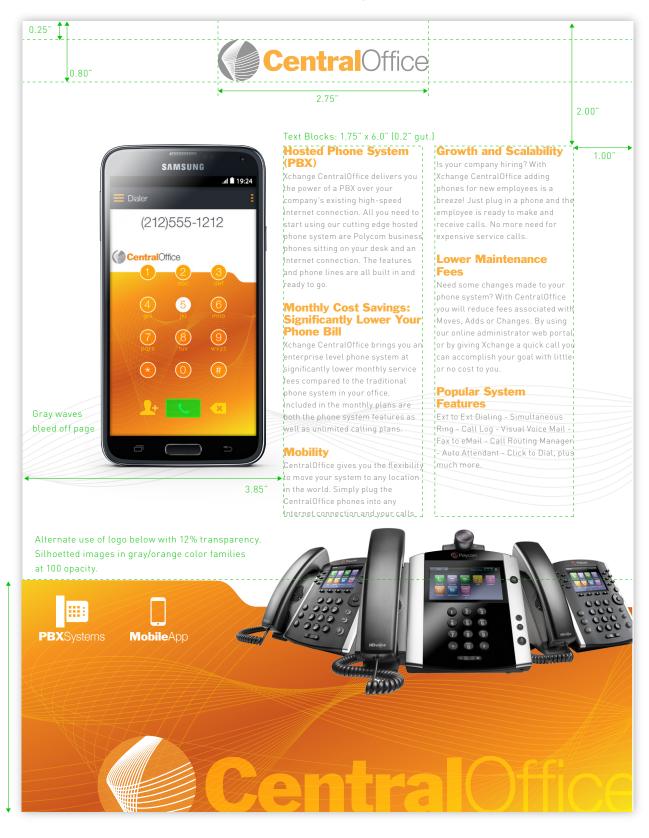

Tab shapes seen in use with communication waves, and white (knock-out) treatment of product icons on darker backgrounds.
